

Request for Information “RFI” Summary
Las Virgenes Municipal Water District
Request for Bids
Annual Backflow Testing Service

The Request for Information period for the District’s Annual Backflow Testing Service Request for Bids “RFB” is now closed. Six RFI were received and no addendums were issued and posted on the Districts web site, www.LVMWD.com . Per the Request for Bids, other than directing a proposer to a specific segment of the RFB documents, questions received after the RFI period has ended will not be answered. Below is a summary of the RFI received and the District’s response. This information is hereby made part of the RFB documents.

Q1. Who is doing the schedule testing dates with the owner's or the tenants? 10/31/18

A1. Bidder, refer to Bid Scope and Specifications (Bullets 2 and 12) for details.

Q2. From past years the customer at some locations have installed protection cages or put chains with locks on the assemblies. 10/31/18

A2. To be addressed by successful bidder during customer notification.

Q3. Sometimes the customers forget the schedule so we have to reschedule many times, if they miss the scheduled meeting for the testing there will be a trip charge added to the cost for that locations test. 10/31/18

A3. Refer to Instructions to Bidders, 17. Additional Conditions. “Any and all related fees” “Any exceptions or modifications” ...

Q4. On fire sprinkler backflow assemblies that fail is the LVMWD still doing those? 10/31/18

A4. Not applicable, this bid is for testing service only.

Q5. Does the repair quotes on the other backflow assemblies still go to the owners? 10/31/18

A5. Not applicable, this bid is for testing service only.

Q6. Do all test forms still return to LVMWD cross-connection department? 10/31/18

A6. Upon final award successful bidder will be provided with District contact information for testing results.
