**LVMWD Offers Free Tour on
District's Water Distribution System November 6**

CALABASAS, CA October 19, 2010 – Las Virgenes Municipal Water District (LVMWD) will present a free tour of its water distribution facilities on Saturday, November 6 from 8:45 a.m. to 1 p.m. The bus tour will begin at LVMWD headquarters, 4232 Las Virgenes Rd. in Calabasas. Guests will learn first-hand about water infrastructure and will visit the Las Virgenes Reservoir and Filtration Plant in Westlake Village, a site normally closed to the public.

Participants must be 12 years of age or older; children under 18 must be accompanied by a responsible adult. Registration is required; interested parties should call 818-251-2200 during business hours. A complimentary continental breakfast and light lunch will be provided to participants. Guests should wear comfortable shoes as moderate walking and stairways are encountered during the tour.

“Our popular tour program is a great way for area residents to understand the infrastructure, costs and challenges we must overcome to provide safe, reliable water service,” said John R. Mundy, LVMWD’s General Manager.

LVMWD serves some 65,000 people in the communities of Agoura Hills, Calabasas, Hidden Hills, Westlake Village and adjacent unincorporated areas of Los Angeles County.
