

**LAS VIRGENES MUNICIPAL WATER DISTRICT
Woolsey Fire Disaster Response and Recovery
FEMA/Cal-OES Program Management**

Notice to Bidders

**ADDENDUM NO. 1
May 02, 2019**

To: All Bidders

Notice is hereby given to prospective bidders that the Request for Proposals (RFP) for the Woolsey Fire Disaster Response and Recovery FEMA/Cal-OES Program Management has been modified as hereinafter set forth. This Addendum No. 1 shall supersede and take precedence over the original Request for Proposal.

The following clarifications, revisions, replacements, additions, and/or deletions shall be made a part of the above-referenced RFP.

Clarifications / Response to Questions

1. The minimum consultant qualifications shall be modified to exclude the requirement for the project manager to be a State of California Professional Engineer.

END OF ADDENDUM #1

Eric Schlageter, P.E.

A handwritten signature in black ink, appearing to read 'Eric Schlageter', written over a light blue horizontal line.

Senior Engineer / Project Manager
