

Las Virgenes Municipal Water District

Request for Proposals: Advanced Metering Infrastructure, Meter Data Management System, Meter Installation Services & Customer Portal.

Addendum #1

Issued August 22, 2019

This addendum is issued to modify the previously issued Request for Proposals (RFP) documents and/or given for informational purposes and is hereby made a part of the RFP documents.

On Page 10 of the RFP, Section 3.2 – Agreement and Bonds

Revise portions of the second paragraph pertaining to performance and payment bonding requirements by adding the following words in two places after “contract price”:

for installation of physical improvements for the Advanced Metering Infrastructure (i.e. fixed network antennas / data collectors, meter endpoints, and Meter Installation Services)....

This shall apply to both performance and payment bonds. Performance and payment bonds shall not apply to the Meter Data Management System and Customer Portal portions of the contract.

On Page 10 of the RFP, Section 3.3 – Other Requirements

Delete the last sentence “Contractor’s License requirement....” and replace it with the following:

The contractor(s) or subcontractor(s) performing meter replacement and/or meter retrofit work must possess a valid Class C 36 (Plumbing) Contractor’s License in the State of California.

The contractor(s) or subcontractor(s) performing AMI fixed network antenna / data collector installation work must possess a valid C 10 Electrical Contractor’s License in the State of California.

Advanced Metering Infrastructure, Meter Data Management System, Meter Installation Services & Customer Portal.

Addendum #1 – Issued 8-22-2019

Proposals Due: Thursday, September 19, 3:00 p.m.
