Free Community Compost Available Saturday

CALABASAS, CA January 3, 2011 – After a holiday hiatus, Rancho Las

Virgenes Community Compost will again be available for pickup this Saturday
between 8 am and 1 pm.

Those picking up compost should bring sealable bags, closable containers or a
tarp to cover pickup truck beds. Shovels will be available at the compost facility
but the material must be self-loaded.

Winter is an excellent time to apply compost to lawns and gardens, helping to
restore nutrients to soils depleted by last summer's long growing season.

Rancho Las Virgenes Community Compost is USEPA certified as "Class A –
Exceptional Quality" which must meet stringent standards.

Rancho Las Virgenes Community Compost is produced and made available by
the Las Virgenes-Triunfo Joint Powers Authority which serves the communities of
Agoura Hills, Calabasas, Hidden Hills, Oak Park, Thousand Oaks, Westlake
Village and surrounding unincorporated areas of Los Angeles and Ventura
Counties.
