## Notice of Preparation of Las Virgenes Municipal Water District's 2010 Urban Water Management Plan

(April 13, 2011) Las Virgenes Municipal Water District (LVMWD) is preparing its 2010 Urban Water Management Plan (UWMP). This planning effort is being conducted to ensure that adequate water supplies are available to meet existing and future water demands in LVMWD's service area.

The Urban Water Management Plan is updated every five years. The UWMP document will provide an overview of LVMWD's water deliveries and uses, water supply sources, efficient water uses, and demand management measures.

Additionally, the 2010 UWMP will incorporate LVMWD's plans for establishing water conservation targets needed to achieve the goal of reducing potable water consumption 20 percent by 2020 in accordance with the Water Conservation Act of 2009.

The draft 2010 UWMP is posted on LVMWD's web site, [www.LVMWD.com](http://www.LVMWD.com). A printed copy is also available for review at LVMWD Headquarters, 4232 Las Virgenes Rd, Calabasas, CA 91302 during regular business hours.

This notice is being issued to encourage public involvement, in compliance with the Urban Water Management Planning Act. Adoption of the plan by the LVMWD Board is expected to occur at a Public Hearing to be held on June 14, 2011.

Questions or comments regarding the preparation of the LVMWD 2010 UWMP should be sent to [jzhao@lvmwd.com](mailto:jzhao@lvmwd.com).
