May 2, 2011 JPA Board Meeting

TO: JPA Board of Directors

FROM: Finance & Administration

Subject: Joint Powers Authority Quarterly Financial Report at March 31, 2011

and Spotlight on Joint Powers Authority

SUMMARY:

Operating expenses for the current fiscal year are more than last year by 2.7%, which was anticipated, but significantly less than the amount budgeted, primarily in waste water treatment and composting. Operating revenue is below budget and prior year because of the very wet fall and winter we have experienced. Capital project expenses are higher than the same time last year, as projected, but within budget limits.

A review of the current financial reports provides no evidence of a need to change budget projections for revenues or expenses.

RECOMMENDATION(S):

Receive and file.

Prepared By: Sandra Hicks, Director of Finance & Administration. Marsha Eubanks prepared the Spotlight on JPA

May 2, 2011 JPA Board Meeting

TO: JPA Board of Directors

FROM: Finance & Administration

Subject: Preliminary JPA Budget for FY 2011/12

SUMMARY:

At a workshop before the regular JPA meeting on April 4, 2011, staff presented an early draft budget to the JPA board. At that time the budget had not been reviewed by the General Manager or the staff from TSD, as this was held on April 6, 2011. Some minor changes were made after the General Manager review.

The preliminary budget for operating expenses is \$16.2 million, which is \$0.3 greater than the prior budget. The capital project budget, including carryovers, is \$3.3 million.

For tonight's presentation, the following preliminary budget documents are included in the agenda package:

- 1. The Operating Budget by line item at the enterprise level.
- 2. The Projection of Allocated JPA Expenses to Participants for FY11/12
- 3. The Estimated Allocated JPA Expenses to Participants for FY10/11
- 4. The Capital Improvement Projects.

Staff will discuss the drivers impacting the preliminary budget and answer questions the Board may have.

RECOMMENDATION(S):

The preliminary budget information is being provided to the Board for review and discussion. No action is recommended at this time.

Prepared By: Sandra Hicks, Director of Finance & Administration

INTERNAL SERVICES

The Internal Service fund is used to account for all costs related to the General Administration of the District. In addition, all personnel related costs, including salaries, benefits, training, etcetera, are administered through the Internal Service fund. Personnel working in the various enterprises account for their workload distribution through the timekeeping system. Labor costs are charged to each enterprise as determined and credits are posted to the Internal Service fund. All net accumulated costs are allocated to the various enterprise and capital project funds as described below.

The Joint Powers Authority (JPA) agreement between Las Virgenes Municipal Water District (LV) and Triunfo Sanitation District (TSD) calls for allocation of General and Administrative costs based on the actual cost of labor. General and administrative costs are defined as accounting, personnel and general management expenses. As such, Internal Service costs which are not related to the function of the JPA are excluded from the allocation process. These excluded costs include all costs for the LV Board of Directors, some of the General Manager's office costs, administration and operation of Customer Service activities, including a portion of Information Services costs, water meter maintenance, water conservation activities and new customer planning and coordination.

All remaining costs are allocated between LV enterprises (potable water, recycled water, and non-JPA sanitation), Capital Improvement Projects, and the JPA operations. The allocation is based on the labor charged through the timekeeping system to each of these operations or projects. The allocation of costs is performed monthly with a final reconciliation at year-end. Each agency's share of the allocated costs for JPA operations is billed monthly as provided in the JPA agreement.

The allocated costs are shown in the budget reports as Allocated Support Services and Allocated Operations Services. Allocated Support Services are costs which originate from cost centers that provide general central service. These cost centers include general management, departmental administration, accounting, payroll, human resources, information systems, and public information administration. Allocated Operations Services are costs which originate in operations related cost centers. These cost centers include water administration, water treatment, facilities maintenance, electrical maintenance, construction services, laboratory services, wastewater treatment, composting, and technical services.

LAS VIRGENES - TRIUNFO JOINT POWERS AUTHORITY MINUTES

5:00 PM April 4, 2011

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the flag was led by Director Steinhardt.

1. CALL TO ORDER AND ROLL CALL

A Call to order and roll call.

The meeting was called to order at 5:00 p.m. by Vice Chair Renger in the Las Virgenes Municipal Water District offices. Clerk of the Board called the roll. Those answering present were Directors Bowman, McReynolds, Orkney, Peterson, Renger, Steinhardt and Wall. Absent: Directors Caspary, Iceland and Paule. The Vice Chair declared a quorum.

2. APPROVAL OF AGENDA

A Approval of Agenda.

On a motion by Director Barry Steinhardt, seconded by Director Janna Orkney, the Board of Directors voted 7-0 -3 to Approve the agenda as presented.

AYES: Director(s) Bowman, McReynolds, Orkney, Peterson, Renger, Steinhardt, Wall

ABSENT: Director(s) Caspary, Iceland, Paule

3. PUBLIC COMMENTS

Members of the public may now address the Board of Directors **ON MATTERS NOT APPEARING ON THE AGENDA**, but within the jurisdiction of the Board. No action shall be taken on any matter not appearing on the agenda unless authorized by Subdivision (b) of Government Code Section 54954.2

No speaker cards were received.

4. ILLUSTRATIVE AND/OR VERBAL PRESENTATION AGENDA ITEMS

A Watershed Data Analysis

Dr. Randal Orton gave a presentation on the highlights of the Water Quality in the Malibu Creek Watershed 1971-2010, Existing conditions, historical trends and data interrelationships. LVMWD Report No. 2475.00. Director of Facilities & Operations Lippman stated that the report was submitted to the RWQCB on April 2, 2011 and the draft implementation monitoring plan will be submitted to the RWQCB by September 2, 2011. Director Orkney provided information to staff regarding hazardous waste disposal at the landfill.

5. CONSENT CALENDAR

A Minutes: Regular meeting of March 7, 2011. Approve

On a motion by Director Glen Peterson, seconded by Director Lee Renger, the Board of Directors voted 7-0 -3 to Approve the Consent Calendar 5A as presented.

AYES: Director(s) Bowman , McReynolds , Orkney , Peterson , Renger , Steinhardt , Wall

ABSENT: Director(s) Caspary, Iceland, Paule

6. ACTION ITEMS

A Heal the Bay - Bring Back the Beach: Director Attendance

The JPA Board of Directors to provide direction to the Administering Agent/General Manager as to whether to participate, and if participating, designate one Director from each agency to attend at a cost of \$500.00 per person.

On a motion by Director Lee Renger, seconded by Director Barry Steinhardt, the Board of Directors voted 7-0 -3 to Approve Chair Mike Paule and Director Barry Steinhardt will attend the Heal the Bay Bring Back the Beach event.

AYES: Director(s) Bowman , McReynolds , Orkney , Peterson , Renger , Steinhardt , Wall

ABSENT: Director(s) Caspary, Iceland, Paule

B Tapia Water Reclamation Facility: Lease of Recreation Land

Authorize the Administering Agent/General Manager to execute the Lease of Recreation Land with the Salvation Army.

On a motion by Director Joseph Bowman, seconded by Director Glen Peterson, the Board of Directors voted 7-0 -3 to Approve the recommendation as presented. AYES: Director(s) Bowman, McReynolds, Orkney, Peterson, Renger, Steinhardt, Wall

ABSENT: Director(s) Caspary, Iceland, Paule

7. BOARD COMMENTS

Director McReynolds requested more information on the recycled water extension to the City of Los Angeles.

8. FUTURE AGENDA ITEMS

Director Orkney requested an agenda item on possible recycled water extention in Ventura County.

9. INFORMATION ITEMS

None.

10. CLOSED SESSION

None.

11. ADJOURNMENT

The Vice Chair delared the meeting adjourned at the hour of 6:00 p.m.

May 2, 2011 JPA Board Meeting

TO: JPA Board of Directors FROM: Facilities & Operations

Subject: Rancho Las Virgenes Compost Reactor Building Ceiling Repair - Approve Plans &

Specifications and Call for Bids

SUMMARY:

On April 6, 2009 the JPA approved a Request for Proposals (RFP) for the provision of engineering services to evaluate the ceiling structure in the reactor building at the Rancho Las Virgenes Compost Facility and to provide plans and specifications for the construction of necessary repairs. Serious corrosion has occurred on the ceiling structure in the "loading area" of the reactor building. On July 6, 2009, the JPA approved the selection of Tectonics to prepare plans and specifications for the repair of the reactor building's ceiling structure. All necessary plans and contract documents are now complete and ready for approval, therefore, a call for bids is appropriate at this time. The proposed bid schedule is as follows:

Board Approval of Plans & Specs and Call for Bids
First Advertisement
May 9, 2011
Pre-bid Meeting and Field Tour (10:00 a.m.)
May 26, 2011
Bid Opening (3:00 p.m.)
June 13, 2011
Award Contract (Board Meeting)
June 28, 2011

Additionally, as part of the construction process for this project, the reactor building must be taken "offline" for a period of time. The building must be clear of compost during the time of construction. It is estimated that the facility will be unable to produce compost between December 2011 and May 2012, a period of approximately 6 months.

RECOMMENDATION(S):

Approve the plans and specifications for the Rancho Las Virgenes Compost Reactor Building Ceiling Repair, as prepared by Tectonics, and authorize a Call for Bids in accordance with the project specifications and the proposed Bid Schedule.

FINANCIAL IMPACT:

The Fiscal Year 10-11 Budget provides funding for Rancho Las Virgenes: Compost Reactor Building Ceiling Repair under CIP Job No. 10391 in the amount of \$313, 644.

Prepared By: James Spicer II, Associate Engineer

ATTACHMENTS:

Bid Notice

NOTICE INVITING SEALED PROPOSALS (BIDS)

Ceiling Repair for the Compost Reactor Building

NOTICE IS HEREBY GIVEN that the Board of Directors of Las Virgenes Municipal Water District invites and will receive sealed proposals (bids) up to the hour of 3:00 pm on May 27, 2011, for furnishing the work described in the contract documents. Bids received after the time stated in the Call for Bids will not be accepted and will be returned, unopened, to the bidder. The time shall be determined by the time on the receptionist telephone console in our Headquarters lobby. Proposals will be publicly opened and read aloud at the office of the District, 4232 Las Virgenes Road, Calabasas, California. Said bids shall conform to and be responsive to the Specifications and Contract Documents for said work as heretofore approved by the District.

A **mandatory** pre-bid tour will be conducted at 10:00 a.m. on **May 17, 2011**. The meeting will begin at the District headquarters at 4232 Las Virgenes Road, Calabasas, CA 91302. Attendance at the pre-bid conference is a condition precedent to submittal of the bid and the District will not consider a bid from any bidder not represented at the pre-bid conference. Questions regarding the project may be directed to James Spicer, Associate Engineer, at 818-251-2142.

Sets of contract documents may be purchased at the District office upon payment by check of **fifty-five dollars** (\$55) for each set requested or **ten dollars** (**\$10**) for a CD copy. Checks shall be made payable to the Las Virgenes Municipal Water District. Purchase price will not be refunded.

Each bid must be on the District bid form and shall be sealed and filed with the secretary of the District at or before the time stated in the Notice.

All terms and conditions contained in the Specifications and Contract Documents shall become part of the contract. The Board of Directors of Las Virgenes Municipal Water District reserves the right to reject any and all bids and to waive any and all irregularities in any bid. No bidder may withdraw his bid after the said time for bid openings until 60-days thereafter or until the District has made a final award to the successful bidder or has rejected all bids, whichever event first occurs.

The Board of Directors of the District reserves the right to select the schedule(s) under which the bids are to be compared and contract(s) awarded.

May 2, 2011 JPA Board Meeting

TO: JPA Board of Directors FROM: Facilities & Operations

Subject: Rancho Las Virgenes Composting Facility Amendment Supply

Las Virgenes-Triunfo Joint Powers Authority approved funding for this matter in the Joint Powers Authority Budget. Las Virgenes board, as the administering agent, waived formal bidding requirements for amendment and authorized the General Manager/administering agent to issue a purchase order for amendment supply at the April 12, 2011, board meeting.

SUMMARY:

In April 2008, Las Virgenes board waived formal bidding and authorized the purchase of amendment supply for the Rancho Las Virgenes Composting Facility from B & B Pallet Co., Inc. (B & B). The resulting three year purchase order was issued to supply amendment for three years at \$10.42 per cubic yard with a 5% escalation factor each year. The contract expires this year.

A purchase order with a proven company, like B & B, is appropriate because of the wide variation in material quality between suppliers. Amendment quality is affected by differences in wood and its sources, grinding and screening equipment, yard conditions and quality control measures such as metals and debris removal. These factors make competitive bidding and bid evaluation difficult compared to procurement of materials like chemicals, machine parts and other supplies. In addition, compatibility with existing material handling equipment is very crucial.

In March of this year, wood fines were obtained from Agromin to use as a trial run as an amendment replacement. These wood fines cost approximately 20% less than our current amendment. Upon delivery, contaminants (rocks, soil, metal and plastic debris) were found in the product. These contaminants would cause excessive wear and potential damage to the shaftless screw conveyors and plow mixer. Due to the contamination, the wood fines were determined to be unusable.

B & B has provided material that consistently meets the process requirements at Rancho over the last three years. B & B proposes to escalate the current cost by 5% as the initial cost for a new 3-year supply agreement. Therefore, amendment cost will be \$10.94 in the first year with a 2.5% escalation factor in the second and third years. The agreement will also have a "no cost" provision for compost disposal.

FINANCIAL IMPACT:

Funding is budgeted each year in the JPA Operating Budget (751820.5410.8) to purchase amendment.

Prepared By: Brett Dingman, Reclamation Manager
