Project Title: Las Virgenes Municipal Water District Backbone Improvement System Project

Project Location (include county): Los Angeles County near Agoura Hills community

Project Description: The proposed project implements several distinct projects to enhance system reliability and flexibility to Las Virgenes Municipal Water District's customers. Project components would include construction of new pipeline extensions/connections to existing lines, storage tanks, filtration facility upgrades, redevelopment of a pump station, and a pressure reducing station.

The proposed project would provide an emergency water supply in the event of a natural or other disaster in addition to the enhanced system flexibility and reliability to meet current and future water demands. Finally, the system upgrades would increase LVWMD's water supply storage capacity.

This is to advise that the Las Virgenes Municipal Water District has approved the above described project on
