Free Water Recycling Facility Tour – February 2

CALABASAS, CA January 15, 2013 – The Las Virgenes – Triunfo Joint Powers Authority (JPA) will conduct a free tour of its water recycling, wastewater treatment and composting facilities on Saturday, February 2 from 8:45 a.m. to 1 p.m. Advance registration is required by signing up at www.LVMWD.com or by calling 818.251.2200 during regular business hours.

“We welcome area residents and encourage them to visit our facilities. Customers can see first-hand how the water sent down the drain is converted into recycled water that benefits the environment, while reducing our dependence upon imported water,” said David W. Pedersen, General Manager for the JPA.

The morning-long tour will include an overview of the wastewater treatment process and some of the compliance measures required by state and federal regulators. A short bus trip will take visitors to JPA facilities not normally open to the public, including the Tapia Water Reclamation Facility and the Rancho Las Virgenes Composting Facility.

Lee Renger
Chair, Las Virgenes-Triunfo
Joint Powers Authority
President, Las Virgenes Municipal Water District
Board of Directors

Janna Orkney
Vice Chair, Las Virgenes-Triunfo
Joint Powers Authority
Chair, Triunfo Sanitation District
Board of Directors

The facility tour is open to those 12 years of age or older; persons under 18 must be accompanied by a responsible adult. Boarding and exiting a bus, moderate walking and stairs should be expected by tour participants. A complimentary light lunch is provided to participants during the concluding question & answer session.

The Las Virgenes – Triunfo JPA provides wastewater treatment, recycled water and biosolids composting services for the communities of Agoura Hills, Calabasas, Hidden Hills, Oak Park, Westlake Village, portions of Thousand Oaks and surrounding unincorporated areas of Los Angeles and Ventura counties.
