

Request for Information “RFI” Summary 9-18-14
Las Virgenes Municipal Water District
Request for Bids
Diatomaceous Earth-Annual Supply

The Request for Information period for the District’s “Diatomaceous Earth” Request for Bids is now closed. Two RFI were received and one addendum was issued and posted on the District’s website, <http://www.lvmwd.com/i-want-to/do-business-with-lvmwd/non-public-works-formal-bids>. Per the Instructions to Bidders, other than directing a bidder to a specific segment of the bid documents, questions received after the RFI period has ended will not be answered.

Below is a summary of all RFI received and the District’s responses. Responses were sent to all registered bidders.

Q1. Who is your current supplier for DE and what is current price?

A1. Supplier from previous annual contract was Dicalite Minerals Group c/o Grefco Minerals Inc. Pricing was \$170 per bag delivered with an additional fuel surcharge using per mile www.EIA.gov index

Q2. Does current DE supplier pick up empty sacks and pallets when delivering a new order?

A2. No. Addendum #1 was issued and posted to the District’s web site on Wednesday, September 03, 2014 in response to this RFI. Winning supplier will have the option to pick up, or not, providing there are no additional costs to the District.
