**LVMWD to Host Free Garden Design Class  
Wednesday February 24**

CALABASAS, CA February 12, 2010 – Las Virgenes Municipal Water District (LVMWD) will host a free one-night garden design class on Wednesday, February 24 at LVMWD headquarters, 4232 Las Virgenes Rd. in Calabasas. The class will run from 5:30 to 8:30 p.m.; a complimentary light supper will be provided to participants. Pre-registration is required; call 818-251-2200.

Conducted by noted designer and author Douglas Kent, the class will focus on designing and creating a garden plan that is attractive and both energy and water efficient.

“As water supplies continue to be uncertain, this class is an excellent opportunity for area residents to design and install an attractive landscape that saves water and money over the long term,” said John R. Mundy, general manager of LVMWD. “We’re delighted to have a presenter of Mr. Kent’s stature conducting this class for the benefit of District customers.”

Las Virgenes MWD serves some 65,000 people in the cities of Agoura Hills, Calabasas, Hidden Hills, Westlake Village and adjacent unincorporated areas of Los Angeles county.
